

27 Seabank Drive BARWON HEADS VIC

3 2 2

This home is simple and effortless in its design aesthetic and will enhance your living experience. What more could you want living in Barwon Heads!

The moment you approach you'll notice quality and a high-class finish. From the architectural gardens and cedar double glazed windows right through to the stone kitchen, Blanco appliance and the showers are in-situ using European tiles. Once you've seen these features you won't be surprised.

Consider the future, this home is Built for Life with extra wide doorways, larger showers, masses of storage and is single level. Environmentally, the passive solar design allows the winter sun in for warmth and out in January for cool summer days, the 4500ltr water tank is more than ample for the toilets and the native gardens low water requirements.

Due to its positioning so close to old Barwon Heads and particularly this home's street appeal showing respect for Barwon Heads architecture, this timeless design will leave you with an asset that has the greatest potential of future
