

9 Grove Road BARWON HEADS VIC

4 1

Here you will find a little slice of Barwon Heads history; a four bedroom cottage built in 1911 and that once gave shelter to two families post World War II.

The home has a rustic charm & would be a comfortable holiday home as is. With four bedrooms; this home has already proven that it can shelter the masses. The comfortable lounge has a Coonara wood heater that will warm the cold nights like laughter warms your heart. The homes traditional layout includes a country style kitchen, outside bathroom with separate toilet, and a sunny outside laundry.

The garden is lovely and a storage room & garden shed provide valuable extra storage space.

Just a short walk away from Hitchcock Avenue and the Barwon River; this is a great area for a holiday home, investment property or permanent residence.

The property has been home to the same family for nearly one hundred years, and it still has plenty left to give for the future. This property offers a slice of history and is ready to
