Behind a weatherboard façade in the Kingston estate, you'll find a spacious family home in a perfect location. Open plan living & dining flow through sliding doors to a covered alfresco, low maintenance garden & lawns with northern sun. The master sits quietly at the façade with garden outlooks, walk in robe, and ensuite - a separate carpeted wing with 3 bedrooms and retreat. Short walk to the future 'Kingston Village' for a coffee, and only a short drive to local shops, schools, and surf beaches. Whether your look is classic, modern or something in between this home's neutral interior will cater to every style
