The Feel:

Raising the bar for bold, contemporary design and low-maintenance luxury living, this brand-new residence brings a new level of sophistication to one of the Bellarine's most tranquil locales. Bespoke finishes, soaring ceilings, and expansive glazing define this architecturally designed home, magnificently settled into easy-care landscaped gardens including a north-facing alfresco courtyard. With a two-storey layout incorporating twin master bedrooms, this statement home is an ideal option for multi-generational families, weekenders, and downsizers keen to capitalise on an exclusive address, just a 150m barefoot stroll to the water's edge.

The Facts:

- An exceptional lifestyle package delivering contemporary luxury & low-maintenance liveability
- Brand-new, architect designed home, characterised by quality finishes & fastidious attention to detail
- Flexible 2-storey design is adaptable to a host of living options
- Families will appreciate the dual living floorplan while twin master BRs ensure downsizers can live entirely on the
